

# Online Media Mini Grant Program

## OVERVIEW AND APPLICATION PROCESS

In recognition of the need for businesses to grow their online presence, the Town Council has authorized a third grant category as a part of the Fiscal Year 2011-12 Business Promotion Program: the *Online Media Mini Grants*. The purpose of the grant program is to encourage the understanding and utilization of lower-cost, readily-available, online and social marketing tools which promote commerce activity in Danville.

The program will make available mini grants (up to \$500 per business) to Danville-based businesses and organizations for online and/or social media campaigns that promote and benefit the Danville business community, as defined by the Business Promotion Program criteria. The Town will evaluate each application, and award grant funding, based on qualifications and on a first-come first-served basis until program funds have been expended.

The Online Media Mini Grant Program would be available:

- **To Individual Businesses or Organizations**, located within the Town limits, with a business promotion project, campaign or event that meets the adopted policy and criteria.
- **For Online Media Marketing Expenditures** including online advertising, development of social media web pages, and the maintenance of the social media pages during the course of the promotional project/event. The grants are provided on a reimbursement basis.
- **In Amounts up to \$500** per applicant. To encourage multiple business collaboration, it is recommended that joint applications be permitted. For joint applications, the base grant funding of \$500 may increase by \$100 with each additional participating business, for a total of \$1,000.
- **Year-Round** to take advantage of unanticipated single-event marketing opportunities (e.g., the “Boutique Blitz” sponsored by the Edge Shop for Men showcasing Danville businesses, the “Spirit of Danville” holiday shopping event) on a first-come first-served basis.

Consistent with the Business Promotion Program criteria, qualifying businesses must demonstrate how the grant could be used to promote a broad range of Danville businesses and yield immediate results. Qualifying businesses may include Retail, Restaurant, Personal Service, and Cultural business sectors. We invite you to submit a proposal for the Online Media Mini Grant Program through the Town of Danville’s website: [www.danville.ca.gov](http://www.danville.ca.gov) or by contacting Jill Bergman, Economic Development Manager, at (925) 314-3369.
